Ascension

Explain Ra Law of One, when a being approaches universal love and radiant being harvest (ascension) comes nigh, also how the "moment contains love" makes every experience a sacred experience, as We are all the One Infinite Creator, and how seeing all experiences as sacred, activates the crown chakra?

1. Approaching Universal Love & the Nearness of Harvest

In the Law of One, “harvest” refers to a shift in consciousness—an evolutionary graduation into a higher density of being. Ra teaches that:

When a being consistently chooses love, especially unconditional, non-possessive, all-inclusive love,

its entire energy system begins to radiate rather than absorb,

producing a vibrational match for higher-density experience.

This is why Ra says that as a seeker approaches “universal love” (a heart fully activated in green-ray), “the harvest is nigh.”

At this stage, the person becomes:

more compassionate, even toward those who seem unlovable,

more peaceful, even in outward difficulty,

more unified in perception, seeing self and other-self as one.

This energetic orientation is what makes them ready for the next density of experience.

2. “The Moment Contains Love” — Why Every Experience Is Sacred

Ra repeatedly emphasizes one of the most central principles:

“The moment contains love.”

This means:

No matter how ordinary, painful, or joyful an experience is,

love is present within it as a potential to be recognized,

because love is the fundamental vibration of all creation.

If we choose to seek the love in the moment:

Every experience becomes a sacred experience,

because we are consciously meeting the Creator within the present moment.

This is not about ignoring suffering or “pretending everything is fine.”

It is about recognizing:

“Even here, the Creator is present. Even here, I can respond with love.”

This perspective transforms how consciousness relates to life, making the seeker a radiant being rather than a reactive one.

3. “We Are All the One Infinite Creator”

In the Law of One:

All beings are expressions of one consciousness.

Separation is a temporary illusion created for learning.

Every interaction is, at the deepest level, the Creator knowing Itself through the mirror of other-selves.

When you see others this way:

Compassion becomes natural.

Forgiveness becomes easier.

Judgement dissolves because you are not judging “another”—you’re judging another you.

This recognition accelerates spiritual polarization, especially on the positive path.

4. How Seeing All Experiences as Sacred Activates the Crown Chakra

In the Law of One’s energy-center model:

The heart (green-ray) is universal love.

The crown (violet-ray) is unity, spiritual identity, and direct connection to the Infinite Creator.

Ra describes the crown chakra not as something we “open” but as the readout of our whole system—our integrated spiritual state.

However, it becomes fully accessible when:

All lower centers are balanced,

The heart is open,

And the seeker is consistently orienting toward unity.

Why does viewing every experience as sacred affect the crown?

Because:

Seeing all moments as sacred is a unity-consciousness perspective,

and unity-consciousness is the natural frequency of the crown center.

When you honor each experience as an expression of the One Creator,

you align your entire being with violet-ray perception—the recognition that all is one, and all is sacred.

This alignment allows:

Deep intuition

A sense of inner guidance

Contact with intelligent infinity

A feeling of “being part of everything”

These qualities are all associated with crown activation in the Law of One framework.

Summary

As a seeker approaches universal love, the harvest—spiritual graduation—draws near because their vibration harmonizes with higher-density experience.

Recognizing that “the moment contains love” turns life into a sacred unfolding, a continuous encounter with the Creator in all situations.

Seeing all experiences as sacred naturally activates the crown chakra because unity-consciousness is its native frequency.

Ultimately, you remember:

You are the One Infinite Creator, discovering Itself through every experience.
